The Rate Lock Deposit is for Harvard FCU locking your loan at a mutually agreed upon interest rate and points for a specific period of time. The deposit will be credited towards your closing cost. The rate lock agreement does not constitute a loan approval or commitment. If your loan is denied by Harvard FCU the rate lock deposit is refunded to you unless the denial is due to your failure to fully cooperate and supply necessary information to Harvard FCU to render an approval or close your loan. In all other cases, including your withdrawal for any reason, this deposit will not be refunded.
